THIEVES MAKE WATERHAUL AT FRISCO DEPOT

Sometime between 3:30 and 4:30 this morning, burglars broke into the Frisco depot. They opened the cash drawer and ticket case, but nothing was missed. The employees have learned better than to leave money in the drawer, and from now on thieves will always have lean picking at the Frisco depot.

harvesting is coming to a close in this section, and the average day's receipts here is about fifteen wagon loads.

The 1911 crop probably will reach 3,000 bales, the largest in the history of Okmulgee county, when the smallest output was expected. Last year, the banner year, only 2,800 bales were ginned here.

ADA PLAYED SOME BALL

ADA OUTCLASSES DURANT IN HARD FOUGHT GAME—SCORE 5 TO 5.

Monday's football game between the Durant and Ada normals was played under extreme difficulties, the piercing blizzard blowing at a fearful rate and driving clouds of sand down the field. In spite of these handicaps, however, both teams played well and the game did not lack in spirit and ginger. The Durant boys proved themselves a gentlemanly lot and played clean ball throughout, but evidently the sand interfered somewhat with the vision of the referee on two or three occasions. According to his rulings the score was 5 to 5, but to those present it certainly looked as if Ada was entitled to 5 more.

Although the Durant team has beaten several of the best teams in Oklahoma and North Texas, the Ada boys went into the game fired with the grim determination to win, and they certainly made good. They broke through the Durant line repeatedly, and when on the defensive offered a resistance that held the visitors in their tracks. The forward pass has been one of the star plays of Durant this season, but somehow the team made little headway with it in Monday's game, while the Ada boys made some substantial gains by its use. On several occasions Durant was blocked when trying to punt, the Ada boys tearing through the line and tackling the punter before he could send the ball down the field.

Details of the Game.

Although the wind and sand made it impossible to follow every detail of the game, the following will give an idea of the principal plays:

Ada win the toss and chose to defend the north goal. Durant kicked off to Ada and Rollow returned the ball five yards. Ada was held for downs and Matthews punted. Durant attempted to catch the ball, but fumbled. Brents recovered the ball and carried it across the goal line for a touch down. The referee, however, held that the ball must be punted 20 yards, no matter who first touches the ball, although the book of rules plainly says that the ball is in play, no matter how far it has been punted, provided the opposing side touches it before it hits the ground. He admitted this after the game, but claimed that Durant did not touch it before it hit the ground. At the time of the touchdown no one disputed that Durant had touched the ball before Brents got it and crossed the line. After this the ball remained in Durant's territory the remainder of the

SMITH

Has Moved to Townsend Avenue

quarter and at the end of the quarter was on Durant's 9 yard line.

The second quarter began with the ball on Durant's 9 yard line near the north goal. Ada failed to make a gain on the first two downs, but on the third Matthews carried it through the line for a touch down. McCain punted out, but as Ada failed to catch the ball, the team lost its opportunity to

CITY FATHERS HOLD SESSION

Water Mains Will Be Extended at Once—Petition for Election on Charter Government Presented.

The blizzard was not sufficient to deter the city council from holding a meeting Monday evening—at least a quorum was on hand and made the meeting a most important one by ordering the water mains extended at once.

Goodwin & Harper's claim against the city for engineering work done in connection with the Byrd's Mill line again came up for attention, but was referred to the city attorney on motion by Ebey and seconded by Floyd.

The Carnegie library matter was discussed, and Ellison tried to have the matter indefinitely postponed, but his motion failed to meet with a second. The city clerk was directed to correspond with an architect by the name of Whitefield, who has furnished plans for many libraries in different parts of the country.

A petition signed by 277 citizens asking for an election on the commission form of government was read and referred to the city attorney for a report on the legality of the form of petition, etc.

It was decided to purchase about 200 additional water meters, and today a contract was made with the Pittsburg Meter Co. to supply same.

It was ordered that the city engineer take the necessary steps to extend the sewers into Ford addition. Frank Neal tendered his resignation as night policeman, and T. W. Honaway was elected to succeed him.

The water superintendent was directed to proceed immediately with the work of extending four inch water mains into the territory given below:

From 12th to Ash, thence west one block to Hickory, thence north on Hickory three blocks to 9th, thence east three blocks to Johnston, thence north three blocks to 6th.

From reservoir line at south end of Hope avenue, thence north to 10th. Beginning on 10th and Hope, thence north on Hope two blocks to 8th, thence east to Francis, thence south to 10th.

Begin at 18th and Center, south on Center five blocks.

The estimated cost of said extensions is estimated at \$6,120.

Alarm Was False One.

The fire alarm was turned in Monday evening about 8 o'clock, and the fire boys turned out to find that it was nothing worse than a flue in Gov. Byrd's residence burning out.

COSTUMES SHOWING

We have just received a shipment of 25 beautiful evening dresses. They are the newest creations of the season and are in green and red, green and black, purple, black, white, emerald green, pink and yellow. These dresses are on display today and will be tomorrow and Thursday. If you want to see something pretty, call before they are gone. Don't miss seeing the latest in dresses at Gubin-Barack Co.

ROBBERS LOOT BANK AT MEADE

Durant, Okla., Nov. 27.—The safe of the First State bank of Meade, six miles west of this city, was blown open early after midnight last night, and the entire cash supply of the bank taken, amounting to \$1,375.63. It is thought there were three robbers in the party, that they arrived on a Frisco freight, which pulled into Meade shortly after 12 o'clock.

The robbers worked swiftly, discharging three charges and escaping before citizens were aroused. They are believed to have left on the same train on which they arrived. The safe was wrecked and the interior of the building badly damaged.

This same bank was raided February 24 and \$1,277 stolen, the robbers terrorizing the town for more than an hour before the safe was finally opened. No arrests have been made.

Come Here to Trade

WHY? Because everything is priced in plain figures at its lowest, net spot cash retail value. Every article is just as represented and is sold with the privilege of returning if it is not entirely satisfactory.

Buy Toys Early

It's a good idea to buy toys early, for while we are getting more toys every few days right up to Christmas, there are some special things we will not probably duplicate this season. We will store them free for you. **DOLLS:** The prettiest line we have ever shown . . . 5c and up. See the **AIRSHIPS AND MONOPLANES**, the sensation of the season in toys, at . . . 98c, 48c, 25c.

Our Candy Department

The little fellows and the grown-ups, too, can hardly believe their eyes when they see our improved Candy Department. We now have in our employ an expert candy maker, and we can sell you nice home-made Brittle Peanut, Hard-pan Peanut, Soft Cream Peanut, Coconut Loaf, and Fresh Taffy. Our special price is 12c a pound, which is about half the price in the regular way.

Special Feature

For this week: Hand-painted Japanese Cups and Saucers at 10c each—(2 pieces). The same price if you buy 50 or 10. We respectfully solicit your business.

Address All Letters to the News Publishing and Printing Company

Any erroneous reflection on the character, standing or reputation of any person, firm or corporation which may appear in the columns of The News will be gladly corrected upon its being brought to the attention of the management.

Obituaries and Resolutions of Respect of less than 100 words will be published free. For all matter in excess of 100 words a charge of one cent per word will be made. Count your words and remit with manuscript.

NO PAPER THURSDAY.

In view of the fact that every other day of business will close for Thanksgiving, the News will likewise close shop and give its employees a holiday after which there will be no further interruption until Christmas. Of course everybody will want to lay off Christmas day.

An evangelist preached a sermon in Bartlesville entitled "Boring for Hell." Didn't suppose they had to bore any at Bartlesville.—McAlester News-Capital.

The juries in the present district court do not seem to go much on convictions. It is a long time since so many men were set free at a term of court in Pontotoc county.

Some republican dopest at Muskogee writes the Dallas News that Oklahoma will probably return a small republican majority in the election of 1911. It will more likely be about like the majorities the party has been getting ever since statehood.

The News extends congratulations to the Normal boys on their season's work in the football field. The boys have labored under many disadvantages, and did not have the support of the Ada public to which they were justly entitled, but in spite of all handicaps they stuck to their colors and the season closes with an even break, so far as games go. In spite of the disapproval with which many view the sport, we think the game is all right, and that it is well worth all it costs. We hope to see the boys enjoy an even better season next year.

Figures Won't Lie.

In an old book published in England we came across the following puzzle. It works out just as it says it will but you will have to work your thinker some time to discover why:

Take the number of your living brothers, double the amount, and add to it three, multiply by five, and add to it the number of your living sisters, multiply the result by ten, add the number of deaths of brothers and subtract 150 from the result. The right figure will be the number of deaths, (dead brothers) the middle will be the number of living sisters and the left will show the number of living brothers. Try it and see.—Ex.

MEETING FOR MEN.

At the First Christian Church This Evening.

The men's organization, the Brotherhood Disciples of Christ, of the First Christian church will meet this evening at the church. The nature of the meeting will be retrospective, contrasting the days of our forefathers with those of the present as a reason

PONTOTOC COUNTY ABSTRACT CO.

Of Ada, Oklahoma, Incorporated.
A WARRANTY DEED IS A SNARE; A DELUSION! It often conveys absolutely a bad title. Your lawyer will tell you so. It is not a present help in time of trouble.

REASON: Should your title be unmarketable and you want to perfect it by hunting up old deeds, procuring releases; court decrees—every step will be at your expense—even though you find it impossible to sell the land or obtain a loan without taking such step.

ADVERSE CLAIMS: An adverse claim is asserted; suit is brought against you, finally you are ousted from the premises.

RESULT: You go on your vendored MAKE GOOD his WARRANTY if you can find him.

JUDGMENT: The law will give you only a money judgment. COLLECT IT IF YOU CAN. No lawyer's fees—nothing for entranced value of land—merely what you paid him and interest—about 6 per cent.

INDEED! Warranty deed sows the seed you reap two law suits for your money and brawn and the land is lost at last.

LAW SUIT: Placing your confidence in the man, upon his WARRANTY DEED is simply bidding for a law suit.

REMEDY: An abstract of title shows you exactly "WHERE YOU ARE AT." What you have for a title. We can protect you and help you.

WRITE US, PHONE 133, OR CALL ON US: OFFICE REAR FIRST NATIONAL BANK BUILDING.

ADA PLAYED SOME BALL

(Continued from page 1.)

kick goal. Score, Ada 5, Durant 0.
Ada kicked off, and Durant returned the ball 15 yards. Durant failed to make gains on downs, and punted out of the field on the east side. The ball was brought in on Ada's 40-yard line. Ada failed to make gains on downs and Matthews punted 20 yards. During the remainder of the quarter the ball passed from side to side, and when time was called was on Ada's 20-yard line.

Third quarter. Durant kicked to Ada McCain receiving the ball and returning it 10 yards. The ball was finally carried to Durant's 20-yard line, and by a well executed forward pass by Matthews and McCain took it to Durant's 9-yard line. Durant was penalized 5 yards for being off side. Ada managed to work the ball a yard closer, but was held on downs. The ball passed to Durant, Durant made a run around the right for 20 yards gain. The quarter ended with the ball in possession of Durant and on Durant's 15-yard line.

Fourth Quarter. Durant punted and McCain returned the ball 20 yards. Ada failed to make gains on downs and the ball went to Durant in the center of the field. Durant punted over the goal line, and McCain fell on the ball. However, a Durant player was upon him in a moment and managed to get the ball away from him, and the referee held that the ball was Durant's and called it a touch down, overriding the decision of the field judges. Durant failed to kick goal. Score 5 to 5.

Matthews kicked off and recovered the ball on Durant's 20-yard line and was held for downs. Durant punted the ball into safe territory.

Line Up.

NOTICE FARMERS

Now that the cotton crop has practically been gathered I would suggest that we start next year's crop with renewed energy and determination in so far as our part is concerned. The past season has been such as would have a tendency to discourage the farmers of this section, but Pontotoc County farmers are to be complimented upon the way they are facing these unfavorable conditions, but right in the face of prevailing conditions the past year we should not be discouraged in the least, rather look on the bright side of the picture and try to better conditions in our county. The Department of Agriculture recommends that farmers do as much fall plowing as possible so as to get the benefit of the winter rain fall, and besides plowing at this time will save work in the spring, when everything on the farm is crowding. I notice that quite a lot of farmers are ordering cotton seed from Texas, and while I am not censuring them in the least, yet I am sure that we can get seed just as good as those grown in any other state, and not have to pay such high prices together with high freight rates which necessarily comes from long shipments from Texas points, and just here allow me to say that I shall encourage the planting of Oklahoma grown seed as much as possible. Of course the seed corn can not be had in this state but instead will be shipped from northern points, and will be sold to farmers in this county at actual cost, and if anyone whom I have not seen desires some of this corn you can get it by dropping me a postal card stating how much you want, and when the corn comes in I will notify you. If I have missed anyone in my rounds that desires to be listed in the demonstration work for next year I shall take pleasure in coming to see you if you will kindly notify me.

Yours for better crops,
ALONZO L. KENNEDY,
U. S. Special Agent.

Neuralgia of the face, shoulder, hands, or feet requires a powerful remedy that will penetrate the flesh. BALLARD'S SNOW LINIMENT possesses that power. Rubbed in where the pain is felt is all that is necessary to relieve suffering and restore normal conditions. Price 25c, 50c and \$1.00 per bottle. Sold by Ramsey Drug Co.

JOHNSON ACQUITTED PATE ON TRIAL

L. D. Johnson, who was tried Monday on charge of grand larceny, was declared not guilty by the jury which tried him.

The case of Jno. Harjo, charged with theft of domestic animal was continued for the term. A divorce was granted in the case of Brumley vs. Brumley.

Today the court has been occupied with the trial of the Anthony Pate perjury case. Pate, it will be remembered, was a witness in the Mack Lee case two years ago, and swore that Lee was at his house near Coalgate on a certain day, when the state was able to establish the fact that he was in Ada and went to Oklahoma City. At a former trial of this case, the jury disagreed. Today the case is being fought stubbornly on both sides, and will not likely be concluded before night.

Sacramento Sets Short Ballot Example.

One of the cities which has adopted commission government during this month is the capital of California. The committee which had the work of charter framing in hand contained some close students of the Short Ballot principle and they proceeded to make themselves felt in such a way that Sacramento now has a charter in which the principle of the Short Ballot is reduced to its very lowest terms.

The commission is to be a board of five men, one to be elected each year. These are to be the only elective officers of the city. Even the school board as a separate body is abolished and its functions are taken over by the city commissioners. The old notion that school administration belongs in a higher sphere and has to be treated in a different manner from the other branches of the city's business goes to the scrap heap. And the encouraging thing about it is that the best interests of the schools will still be in the people's hands.

Thus, after the first election Sacramento will have the shortest ballot in the country. Once each year the attention of the whole city will be focused upon one man. There can be no mistaking of the issues of a simple election like that.

We paint the room at \$1.25 per gallon, the body for \$2.00 per gallon, the floor at any old price and finish up with wall paper decorations on the walls—Dr. Holly. 111-dtf

DeSota Orchestra will entertain you throughout the program. Spot-light Song with orchestrations every evening. We are here to please you.

KATZ & CHAUNCEY, Mgrs.

Galbreath Suffers With Appendicitis.

Tulsa, Okla., Nov. 28.—Fears for the health of Robert Galbreath, millionaire oil operator of Tulsa, and discoverer of the Glenn Pool, the largest oil pool in the world, were entertained here yesterday when Dr. Grosshart and a trained nurse, left for Bromide, Okla., to be at his bedside. It is reported that he is suffering from appendicitis.

The doctor and nurse left yesterday afternoon on a fast train to hurry to the sick man. Mr. Galbreath has been in Bromide for several days, arranging for a big field test for fox hounds from all over the state to be held on December 4, 5 and 6, in which twenty-six of the most famous pack of fox hounds in the country have been entered.

Irregular bowel movements lead to chronic constipation and a constipated habit fills the system with impurities. HERBINE is a great bowel regulator. It purifies the system, vitalizes the blood and puts the digestive organs in fine, vigorous condition. Price, 50c. Sold by Ramsey Drug Co.

GRANDMOTHERS USED SAGE TEA

To Darken the Hair and Restore Gray and Faded Hair to Its Natural Color.

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made a "sage tea," and their dark glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea" for their hair and are fast following suit.

The present generation has the advantage of the past in that it can get a ready-to-use preparation called Wyeth's Sage and Sulphur Hair Remedy. As a sage tonic and hair restorer this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers.

This remedy is sold under guarantee that the money will be refunded if it fails to do exactly as represented.

If your hair is losing color or coming out, start using Wyeth's Sage and Sulphur today, and see what a change it will make in a few days' time.

This preparation is offered to the public at 50c a bottle, and is recommended and sold by all druggists.

TONIGHT

Thomas A. Edison's Immortal Masterpiece.

The Declaration of Independence

Historically correct and complete in every detail. The story moves along clearly and distinctly, and is interesting from its historical value by reason of the strong individualities and faithful depiction of the types and manners of the day. Adams, Jefferson and Old Ben Franklin seem to live again before our eyes, and we get something of the feeling which must have stirred the hearts of these Patriots when, for the Independence of the colonies and their kindred, they pledged each other, with a firm reliance on the protection of Divine Providence, their lives, their fortunes and their sacred honor. This great picture has been staged and produced in co-operation with the U. S. government and is endorsed by President Taft, members of his cabinet and the leading statesmen and educators of today. It will be shown tonight only, so do not miss it.

Henry Young states that the blizzard of last night cost him ten pigs. In the first one of two or three weeks ago, a young calf belonging to him, died from the effects of the extreme cold.

Walter Carter, familiarly known to his associates as "Nick," who has held the responsible position as make-up man on the News for the past year, has resigned his job to accept one on the Shawnee News. He has done good service for the News, and leaves the office with the best wishes of the entire force.

SNOW PLOWS USED IN NORTHERN OKLAHOMA

Oklahoma City, Nov. 28.—A snow storm that was general in the upper Mississippi valley struck Oklahoma City about noon Monday, accompanied with a sixty-mile wind. Only three inches of snow was recorded at the government weather station, but reports from the north and west show that the fall was much heavier in Kansas, western Oklahoma and the Texas Panhandle. The mercury dropped to 28 degrees above and is due for a further drop to between 15 and 20, according to the barometer.

No indications of a let-up of the cold weather was seen on the government chart, but the wind had died down to about twenty-four miles an hour, and is expected to disappear by Tuesday night. But as it dies away, the forecast is that it will get colder and colder. Up to Monday night the snow had been mostly confined to the upper Mississippi valley, but it apparently is sweeping down towards the south. From present indications there will be no more snow or rain here for the time being.

Just how much snow had fallen in Kansas, western Oklahoma and the Texas Panhandle could not be ascertained, but there is no doubt but that it is a great deal heavier than here. Cold weather rules all over this section of the country, ranging from 8 degrees above in the far north to 35 in the south. The temperature is cold but not exceptionally so for this time of the year.

The Santa Fe has been in service in Oklahoma upwards of twenty-five years, but last night was the first time it ever found it necessary to run a snow plow through the state during the month of November. Railroad officials state that 5,000 extra engine men did duty last night, keeping up a full head of steam in the engines that will be sent out today to draw belated freight and passenger trains over the snow-covered plains of central and north Oklahoma.

A Timely Rhyme And Good Advice

When the frost is on the pumpkin
And the ducks begin to fly,
Look after the broken windows,
That frost may pass you by.

You can get all sizes of glass "A" grade to replace those broken glass in your windows. The price is much less than a bad cold. Call us up and let us know your wants.

This Central State Normal of
 The weather was bad
 The boys played just the same,
 And went in a jiffy.
 This Central had the game.
 Yesterday afternoon the foot ball
 team of this Central State Normal of
 Ada played the University of
 Oklahoma. The game was a
 tie. The players of the University of
 Oklahoma were from the State Normal of
 Durant.
 Not a single player did the Duranites
 touch. They played in the down, and
 their team of forward passes was not
 successful. A single time in the
 game. One Central player threw at their
 own back, forward passing. We made
 a number of successful passes each
 of which ended in a safety of ten yards.
 On the fourth down was made by
 Central in the first quarter. On the
 third down, Matthews kicked and the
 ball was out of play. A Durant man,
 who held the ball, then caught the
 ball and ran about 60 yards for touch-
 down.
 The referee, from Durant, at the
 time on account of his ignorance of
 the rules, would not let it stand as a
 touch down, but afterward, when
 shown the rule, admitted the play to
 stand and the touch down will count.
 On second down the ball came in the
 first three downs in the second quar-
 ter. Matthews took the ball for a run
 around the end and with 8 yards to
 go, scored easily. The single line pre-
 vented him from being kicked after
 the score.
 On third down a quarter things re-
 mained very much as they were. On a
 fourth down, McLean made about 50
 yards and the ball was worked for-
 ward till reached the 5 yard line.
 There were taken push of a down
 and lost the ball. Durant, however,
 did not get any thing this time.
 The third quarter passed with East
 Central in possession of the ball. They

kicked and Durant returned the kick. It bounced across the goal line and a Durant man supposedly fell on it. McCain really had it as the Durant referee afterward acknowledged. The game ended with matters in this shape, East Central 10; Durant 5.

All supporters of Durant claim a tie. All supporters of East Central know that we won the game.

The Durant team has, from time to time, received glowing writeups in the Dallas News. Especially has this paper complimented the forward passing of this team. I wonder what a reporter of that paper would have thought of the record they made yesterday. They claimed they could do nothing on account of the wind, but we made successful passes with the same wind blowing. How did it happen?

It is probable that we will have a Thanksgiving game with some team near here. We went deeply in debt yesterday and this our only means of paying out.

We want to especially thank our hearty supporters, Messrs. Granger, Warren, Sugg, Bobbit, King Schulte and others who came out in spite of the weather and rooted so faithfully for us.

The members of the faculty who accompanied the Durant team up here stated that they were favorably impressed with our school.

Lee Collins of the team of 909 and Jim Walby of the 1910 team were here yesterday to see us beat Durant.

Mr. Marvin Burris of Stonewall was also up especially for the game.

The following men were here yesterday with the Durant team: Mr. Gilliland, Dept. of Mathematic of Durant Normal; Mr. Laird, coach of the team and County Supt. Neely who referred.

The fall term exams are now in progress and many students are wearing long faces as a result. Work will be resumed immediately after the Thanksgiving holidays. All students will enroll next Monday, lessons will be assigned and no time will be lost. This is usually the case at the beginning of each term.

The scene of the main curtain has been changed to an exact reproduction of the Byrd's Mill spring as it now appears.

The Tishomingo basket ball team which will play here next Friday night has not lost a single game this year.

We had two games with them last year and won both. We expect to do the same this year. At the City Hall Friday night, Dec. 1.

Miss Lola Champlin will spend Thanksgiving with friends in Muskogee.

Mosquitoes Bad This Year

But don't scratch the poisoned insect.

Use a mild, cooling, healing compound that stops the itch instantly, draws out the poison in the skin and protects it against further trouble.

Just a mild cleansing wash of oil of wintergreen thymol and a few other ingredients known as the D. D. D. prescription (so famous in cases of eczema) and you have mosquito protection for the season.

Instant relief—now only 25c.

Wood! Wood! Wood!

Buy coal when I will sell you, at farm on Sandy, 2 1/2 miles west of here, big wagon load fine dead wood—you can load on one wagon—for

In the District Court of the United States for the Eastern District of Oklahoma.

In the Matter of S. E. Chapman, Bankrupt. Bankrupt's Petition for Discharge.

To the Hon. Ralph E. Campbell, Judge of the District Court of the United States for the Eastern District of Oklahoma.

S. E. Chapman, of Ada, Oklahoma, in the County of Pottawatomie, in said District represents that on the 17th day of June, 1911, he was duly adjudged a bankrupt under the acts of Congress relating to bankruptcy; that he has duly surrendered all his property and rights of property, and has fully complied with all the requirements of said acts, and of the orders of the court touching his bankruptcy.

Wherefore, he prays that he may be decreed by the court to have a full discharge from all debts provable against his estate under said bankruptcy acts, except such debts as are expected by law for msuch discharge.

Dated this the 3rd day of November, 1911,

(Signed) S. E. CHAPMAN,

Endorsements:

No. 538.

In the United States District Court for the Eastern District of Oklahoma. In the matter of S. E. Chapman, Bankrupt.

Bankrupt's Petition for Discharge. Filed Nov. 8, 1911.

R. P. Harrison, Clerk U. S. District Court, Eastern Dist. Okla.

Currie & Duncan, Attys., Ada, Okla.

Whereas, the above and foregoing application for discharge from all of his debts and other claims provable under the Acts of Congress relating to bankruptcy has been made by the above named bankrupt, and said application has been referred to the undersigned as Special Master in Chancery now on motion of the bankrupt's attorneys.

It is ordered that all creditors of the above named bankrupt, as well as all other parties in interest, appear before the undersigned Special Master in Chancery at his office in the City of McAlester, Pittsburg county, state of Oklahoma, and in said district, at a hearing to be had on such application on the 30th day of December, 1911, at 10 o'clock A. M., or as soon thereafter as such hearing may be had, and show cause why such application should not be granted.

In Witness Whereof, I have hereunto set my hand at the City of McAlester, in said District, on the 27th day of November, 1911.

R. H. MATTHEWS,
Special Master in Chancery.

02-11—First Pub. Nov. 28th.

ACTUAL STARVATION.

Facts About Indigestion and Its Relief That Should Interest You.

Although indigestion and dyspepsia are so prevalent, most people do not thoroughly understand their cause and cure. There is no reason why most people should not eat anything they desire—if they will only chew carefully and thoroughly. Many actually starve themselves into sickness through fear of eating every good-looking, good-smelling and good-tasting food, because it does not agree with them.

The best thing to do is to fit yourself to digest any good food.

We believe we can relieve dyspepsia. We are so confident of this fact that we guarantee and promise to supply the medicine free of all cost to every one who will use it, who is not perfectly satisfied with the results which it produces. We exact no promises, and put no one under any obligation whatever. Surely nothing could be fairer. We are located right here and our reputation should be sufficient assurance of the genuineness of our offer.

We want every one troubled with Indigestion or Dyspepsia in any form to come to our store and buy a box of Rexall dyspepsia Tablets. Take them home and give them a reasonable trial according to directions. Then if not satisfied, come to us and get your money back. They are very pleasant to take; they aid to soothe the irritable stomach, to strengthen and invigorate the digestive organs, and to promote a healthy and natural bowel action, thus leading to perfect and healthy digestion and assimilation.

A 25c package of Rexall Dyspepsia Tablets furnishes fifteen days' treatment. In ordinary cases this is sufficient to produce a cure. In more chronic cases, a longer treatment, of course, is necessary, and depends upon the severity of the trouble. For such cases, we have two larger sizes which sell for 50c and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—the Rexall Store—Gwin & Mays Drug Co.
